About me

Passionate about technology, eager to learn, and with a proactive attitude. I have completed an internship as a **Data Analyst at NTT DATA**, applying **AI and machine learning**, and as a **Systems Administrator at Nortius**, managing equipment and resolving technical issues. Versatile profile, with experience in data and systems, and highly motivated to continue growing.

Work experience

Sistem Administrator L2 | Altia | 13/10/2025 - 11/02/2026 | A Coruña, Spain

- Administration and maintenance of systems in IBM Mainframe environments, ensuring service stability and continuity.
- Management and monitoring of incidents, changes, and requests through ServiceNow.
- Planning, monitoring, and control of batch workloads using BMC Control-M, including error resolution and reruns.
- Analysis and management of advanced-level errors, identifying root causes and implementing permanent solutions.

Data Analyst & IA | NTT DATA | 17/03/2025 - 20/06/2025 | A Coruña, Spain
